Crusader

FOR CHRIST THE KING

An army of youth flying the standards of truth,

We're fighting for Christ, the Lord.

Heads lifted high, Catholic action our cry,

and the Cross our only sword.

On earth's battlefield never a vantage we'll yield

As dauntlessly on we swing.

Comrades true, dare and do 'Neath the Queen's

white and blue,

For our flag, for our faith, for Christ the King.

FOREWORD

In the year of Our Lord, Nineteen Hundred Sixty-five, the First Crusade ended with commencement day; the period of maturity culminated, and thus the way was paved for a countless number of other crusades to follow in future years. On graduation day an army of one hundred seventy young Crusaders entered the familiar halls of Saint Joseph High for the last time. No longer would they be beckoned by the 8:10 bell each morning or be dismissed at 2:00. During these hours for four years there were fronts where individual effort was the keynote and still others where teamwork surpassed single victories to achieve the final end — the broadening of attitudes and attainment of knowledge and skill for future accomplishments. At length, the challenge was met and the goal attained. Now a new and different type of adventure awaits. To these graduates there exists a greater challenge. Faithfulness and loyalty will still be required of the stalwart individuals, honesty a quality of the ambitious, and integrity and intelligence an asset of the successful. The challenge has been set, and now it must be met —

EVERYTHING

"For our flag, for our faith,

for Christ the King."

AN ARMY OF YOUTH

SENIORS and CLASSES

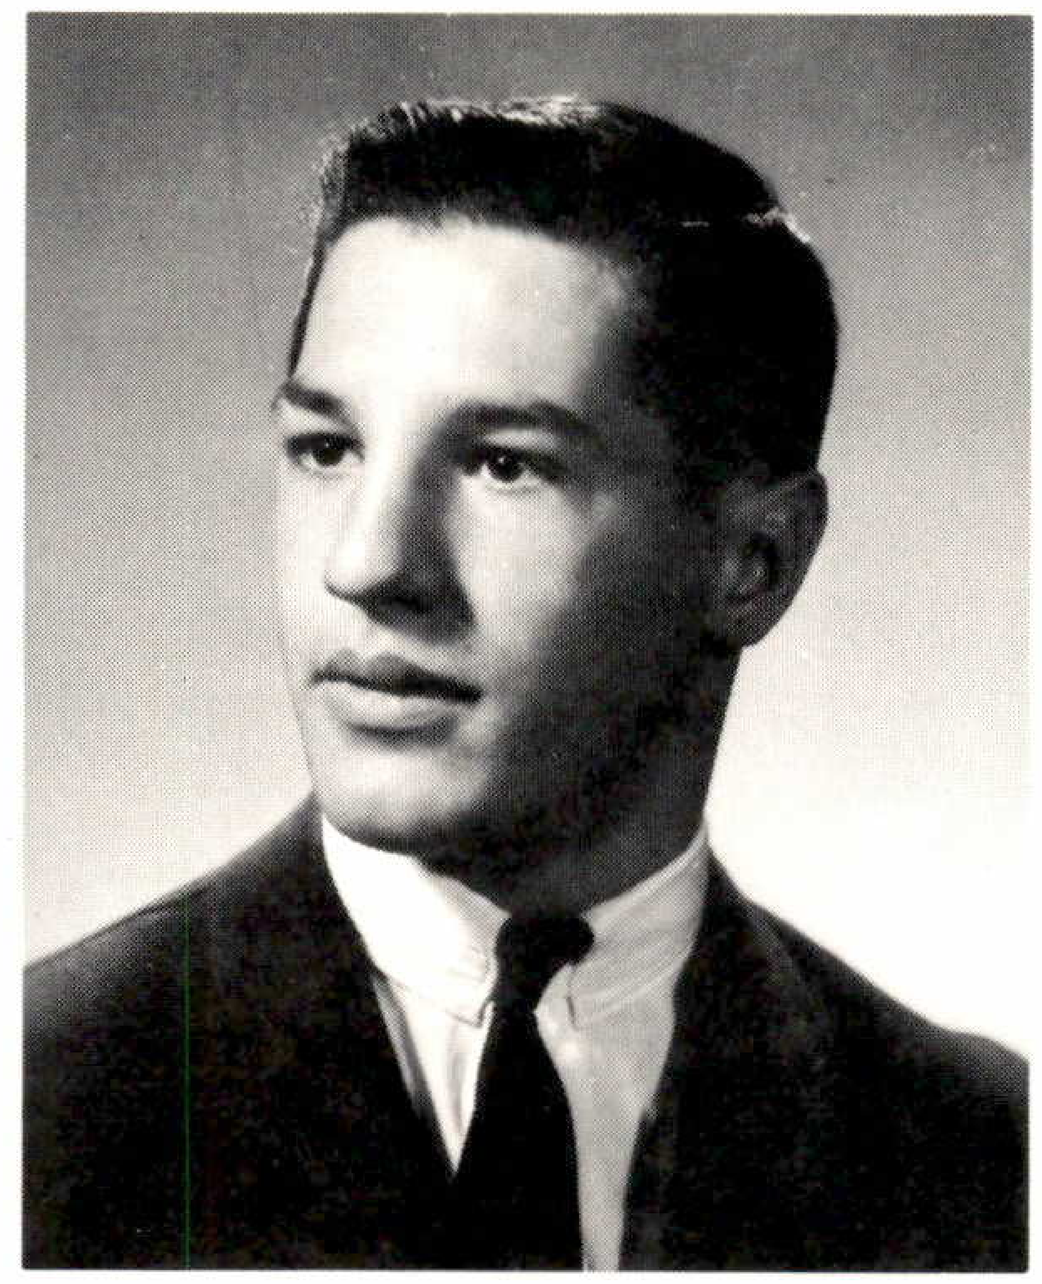

As the trumpet summons, the army advances to meet the challenges of life and to attain that final goal, eternal life in Christ. With our faith and moral inspiration to guide us and the swords of truth and honesty as our weapons, we will attempt to lead others on the right road to victory. So we depart from our encampment with the desires of making the world a better place in which men may live in harmony.

Flying The Standards Of Truth

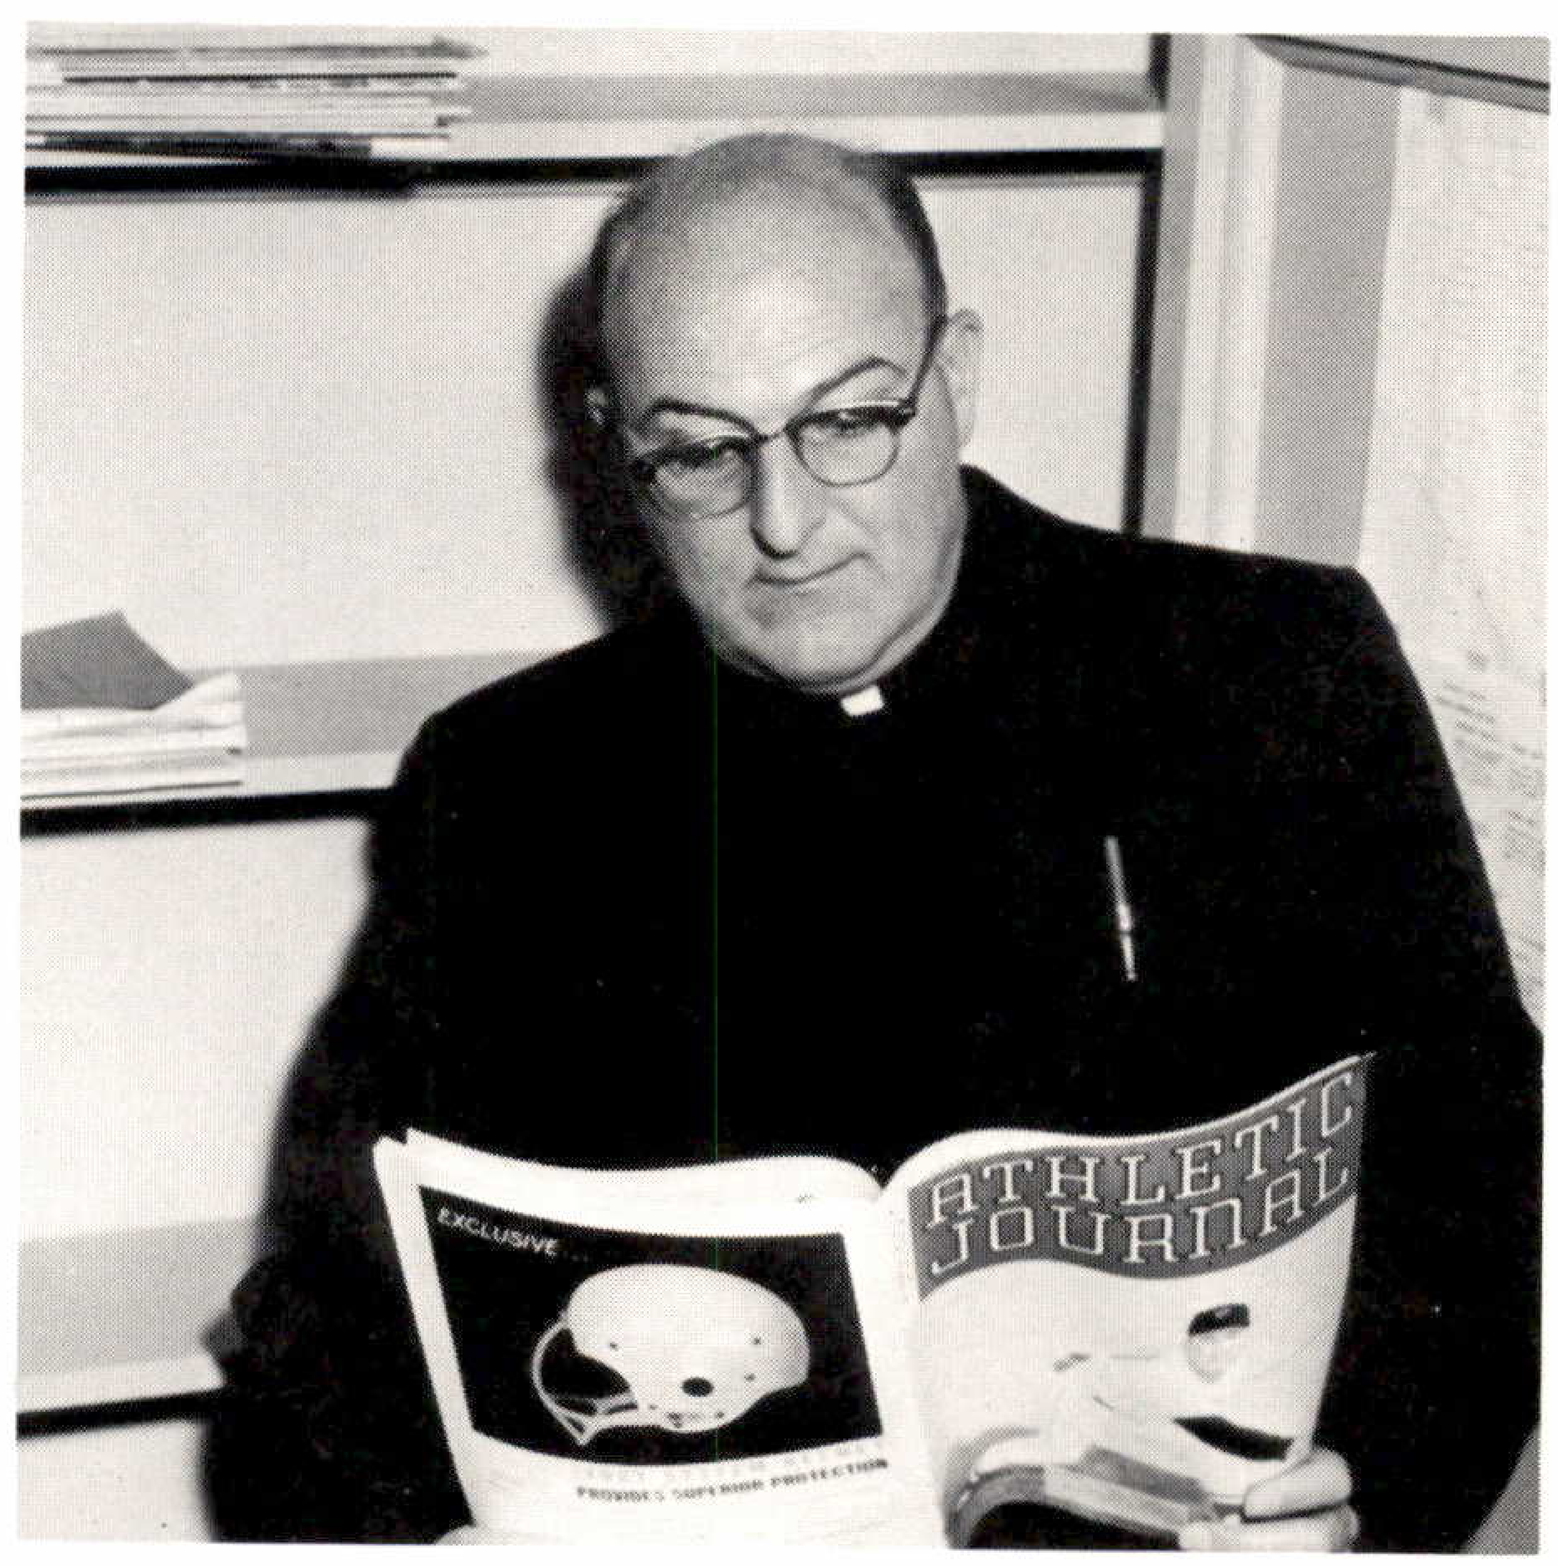

REVEREND THOMAS F. CURRAN

Truth stands as the torch of any crusade. The path lies in darkness until given that light which can lead. Devoted to the cause of lighting our way with true knowledge the priests, sisters, and lay teachers have worked hard to set down a standard by which we may follow. Christian truth is the guide to our goals. May we always follow our leaders in truth and conquer only by this standard.

As life is a warfare against selfishness so life requires us to give ourselves. The organizations and activities of St. Joseph's have enabled us to cooperate with others by giving our time and talents, and by following as well as leading. Having realized the importance of contributing, we can now leave our home front to meet the problems of the world that await us, and to face them courageously without faltering.

SPORTS

Thus the mighty foe was struck down as the Crusaders advanced toward victory. Strength and determination made the difference as the mighty army reached its goal. Undefeatd in football, triumphant in basketball and well-coached in baseball, the Crusaders have realized that they will inevitably conquer only through perseverance and dedication to a cause. To them victory itself has presented a challenge, and in learning the true meaning of good sportsmanship, they were likewise able to smite their sturdy opposition.

FOR CHRIST THE KING

An army of youth flying the standards of truth,

We're fighting for Christ, the Lord.

Heads lifted high, Catholic action our cry,

and the Cross our only sword.

On earth's battlefield never a vantage we'll yield

As dauntlessly on we swing.

Comrades true, dare and do 'Neath the Queen's

white and blue,

For our flag, for our faith, for Christ the King.
